Protect Your Assets From the Unexpected

Owning a business takes hard work and dedication. Protect your success with a business owner's insurance policy from the American Association of Orthodontists (AAO).

With multiple coverage and deductible options, you can customize our business owner's insurance policy to meet your unique needs. Get assurance for the future—safeguard against physical damage to your building or rental space, office equipment, valuable papers and records (including patient records and x-rays), window breakage, vandalism, theft, crime, employee dishonesty, and more.

Who Is Eligible? AAO members engaged solely in the practice of orthodontics and licensed in the state where he or she practices are eligible to apply.

With an AAO-Endorsed **Business Owner's Package**, you're covered for:

- **Building Coverage Replacement Costs** for direct physical damage to buildings (owned or rented) as well as for contents
- **Theft** of cash, X-rays, patient records, and other valuable papers or inventory
- **Accounts Receivable** coverage to reimburse all the sums due to you from customers as well as other expenses, when reasonably incurred by you in re-establishing records of accounts receivable following loss or damage
- **Additional Costs Incurred** while trying to limit a loss if you choose extra expense coverage

When Will Coverage Become Effective? You may indicate on your application when you want your coverage to begin. Ideally, your effective date should be the day you start practicing, or the day your current policy is terminated.

Plus, you'll enjoy **General Liability Coverage** covering:

- Losses due to any one occurrence (up to \$2 million), plus general aggregate (up to \$4 million) protection on your behalf for all sums. You will become legally obligated to pay damages resulting from bodily injury and/or property damage
- Tenant legal liability up to \$300,000 (higher limits available)
- All legal fees and court costs in addition to the limits of liability
- Personal injury, libel, slander, false arrest, invasion of privacy, and advertising liability
